

Cooperative Resources International

POSITION OPENING

Title: Director of Distribution Services

Accountable to: VP, Production

Location: Shawano, WI

Position Objective

GENEX is seeking a Director of Distribution Services to supervise and direct employees who are involved with all aspects of domestic and international semen shipments.

Major Areas of Responsibility

- Supervise employees to develop an efficient Distribution Department for dairy and beef semen to enhance the domestic and international markets
- Coordinate the monthly semen allocation activities and the ordering and allocation of semen between the GENEX production locations and other suppliers
- Develop, coordinate and manage an effective program for the receipt and storage of semen and products
- Maintain an effective system of inventory control and semen distribution records
- Prepare and monitor the Distribution Department budgets and key performance areas including domestic and international semen distribution services and product management
- Coordinate shipping and packaging with internal staff.

Qualifications

- Bachelor's Degree in Dairy Science, Ag Business, or International Ag Business
- Highly skilled in Microsoft Business applications (Excel, Word, PowerPoint, etc.)
- Experience working in SAP is a plus, but not required
- Ability to work in a fast-paced, team environment as well as possess effective communication skills
- Willingness to grow and develop both personally and professionally.
