

Employment Opportunities at Fa-Ba Farms

Who are we?- We are a 500 cow dairy operation in Canandaigua, NY. We farm about 800 acres and raise all of our youngstock. We have modern, well maintained facilities-including a double 12 parallel parlor and individual pen calf barn.

Why become part of our team?- We have team of local, enthusiastic employees who are passionate about the dairy industry and the work they do. We enjoy helping our team improve themselves both professionally and personally by providing training on and off farm and encouraging our team to participate in industry events. We take great pride in our efforts to continually improve the quality of cow care.
