

SENIOR MANAGER DAIRY OPPORTUNITY

If you are looking to advance your career or get with a company that is financially sound and growing, keep reading!

My client is looking for a unique individual; someone with dairy knowledge but more importantly, someone with leadership skills and experience managing managers. This is a unique opportunity to raise your career to the next level and be a part of a growing company.

You will:

1. Lead, coach and develop Dairy Managers
2. Oversee all corporate dairy operations and initiate change as needed.
3. Manage positive business relationships with vendors, cooperatives, consultants, state and federal inspectors, etc.
4. Develop and implement strategies and policies
5. Ensure security and maintenance of dairy operations data systems
6. Ensure Regulatory compliance of all sites under your management
7. Ensure compliance with corporate safety programs
8. Represent company at various industry functions, national meetings and working committees

This is just a part of the role you will play in taking the company to the next level. If you have the above experience or are ready for the next step in your career, please send your contact info to Sharon Thomas at sharon@mriowacity.com
