WESTERN DAIRY CHALLENGE TRAINING

- Learn what the dairy challenge is all about. Join us for presentations from 10:00 a.m. to 11:30 a.m.
- Tri-tip BBQ at noon cooked by the Fresno State Dairy Club; sponsored in part by Elanco and Farm Credit West.
- Watch Cal Poly and Fresno State train for the 2012 Western Regional Dairy Challenge, March 1-3.

“Since we are seeing fewer and fewer young people stay in this business, it has been especially rewarding for me to see college-aged young people active and actively involved in the industry through programs like the Dairy Challenge,” says Butch Dias, Delta View Farms, Visalia, Calif. 2010 National Dairy Challenge host.
