

NORTH AMERICAN INTERCOLLEGIATE
Dairy Challenge
Tomorrow's Dairy Leaders
MIDWEST REGIONAL

December 7, 2015

The Midwest Dairy Challenge Steering Committee recognizes your company as a leader within the dairy industry and would like to invite you to be part of Dairy Challenge. This is an exciting recruiting opportunity where you will have the chance to see some of the Midwest's brightest college students in action. You can focus your recruiting efforts on the best students located right here in the Midwest. You are invited to participate as a volunteer during the contest and the trade show held in conjunction with the event allowing you to meet with contest participants and introduce your company to prospective employees. This not-for-profit contest is organized by industry enthusiasts with a goal to improve and encourage the development of future dairy industry leaders at the college level and to allow industry personnel see them perform in real life situations.

The 12th annual Midwest Dairy Challenge will be holding its regional event in Platteville, Wisconsin at the University of Wisconsin - Platteville on Wednesday, February 17 to Friday, February 19, 2016. We are planning to host more than 80 students from as many as 20 Midwestern universities. The NAIDC is a contest that allows top collegiate students in dairy programs from across North America to compete in a management analysis and recommendation program. The regional event is an opportunity for students from each college or university to compete in a Dairy Challenge that is in a learning environment, interact in team building activities and have the opportunity to listen to various presentations from industry professionals.

The Midwest Dairy Challenge will enable up to 16 five-person aggregate teams from colleges or universities to:

- 1) visit a dairy and evaluate the operation through observation and interviews with the herd owner or manager
- 2) work as a team to identify management recommendations for the dairy
- 3) present those recommendations to a panel of judges and your company's representatives.

I am confident that you will find this a rewarding experience as a sponsor. The contribution levels and benefits are listed on the attached form. Please note that your contribution of \$1000 or more will be acknowledged in *National and Regional (Midwest, Northeast, Southern and West)* contest materials and publicity. We hope that you will consider supporting the vision and objectives of this event.

On behalf of the planning committee, I can say that we would be pleased and honored to list your company as a sponsor of this innovative event. To ensure that we can provide maximum publicity for sponsors, we are asking that the enclosed commitment form be completed and returned on or before Friday, December 11, 2015. I look forward to your response and participation.

Sincerely,

Todd Kronberg
