

NORTH AMERICAN INTERCOLLEGIATE **Dairy Challenge** *Tomorrow's Dairy Leaders*

Sunday SRDC Pre-Challenge Dairy Tour

We have an exciting educational program planned for Sunday afternoon. Schools should plan to meet at the Pete Gelber Farm in Montezuma, GA by 1:45 pm. (see accompanying map) After some initial announcements, the tour will begin at 2:00 pm. Students will participate in a series of learning stations set up at various points throughout the farm. Plan to depart the farm by 4:00 pm for the hotel. Registration will be at the hotel 4:00-6:00 pm

Schools are strongly encouraged to attend this pre-challenge tour. Pete Gelber is the largest producer in the state of GA milking close to 10,000 cows at two locations. He also will share his story about how he went from working on a dairy farm to having the largest one in GA – a great story for students who may not think it's possible anymore.
