

Genex Cooperative, Inc.

Position Opening

Title: National Account Specialist
Location: California
Accountable to: National Account Specialist Manager

Description:

Genex Cooperative, Inc., seeks a National Account Specialist. The successful candidate will work with a team of National Account Specialists and National Account Managers to deliver timely and accurate information and solutions to large herd owners and managers.

Qualifications:

- The preferred candidate will have a minimum of three years of related experience in the dairy genetics industry.
- A bachelor's degree in a related field is required and an advanced college degree in Dairy and/or Animal Reproductive Physiology is desired.
- Bi-lingual applicants in English/Spanish are preferred.
- Candidates should have a clear understanding of the dairy industry.
- Must have exceptional computer skills, especially on-farm record programs, and the ability to analyze data and trouble shoot when necessary.
- The successful candidate will have very strong communication and organizational skills, along with a desire to educate.

Position location is California and non negotiable.
