WHAT IS DAIRY CHALLENGE?

An opportunity for veterinary students attending FAMSS to visit and evaluate a dairy farm and its records to point out strengths and suggest improvements. Students will give a presentation to a judging panel and winners receive awards.

DO I NEED TO HAVE DAIRY EXPERIENCE?

No! All vet students are encouraged to participate. Teams will be placed in Experienced or Inexperienced divisions based on confidence.

WHAT IF I DON'T HAVE 3-4 PEOPLE TO MAKE A TEAM?

It's okay! We will group students into mixed university teams.
