

**Dairy Careers Job and Internship Postings
Available to Platinum and Producer Sponsors**

We are pleased to offer a benefit of sponsorship available to our Platinum (\$5000+) and Producer sponsors. NAIDC's **Dairy Careers** site allows your organization to conveniently post position announcements at no cost.

These postings appear on our www.dairychallenge.org web site, making them viewable to everyone.

If you would like to take advantage of this opportunity to promote positions available within your organization to Dairy Challenge enthusiasts simply send your **position announcement** or **link** to Molly Kelley, NAIDC at mollyk@dairychallenge.org.

Each time a new posting appears, an alert will be posted on our Facebook page that reaches thousands of Dairy Challenge followers.

Thank you for your tremendous support of Dairy Challenge. We hope you will enjoy this added opportunity to recruit the top students from universities across North America.

Sincerely,

Molly Kelley
Executive Director, NAIDC
